## DESIGN & INSPIRATION

AC believes that purposeful design improves our lives. Everything is done with intention while creating harmony. AC Hotels by Marriott design is contemporary and warm. Beautiful neutral color palettes ranging from deep gray and charcoal tones to layers of elegant creams create a sophisticated and modern European sensibility. Each AC Hotel is designed to reflect the uniqueness and character of its urban location.

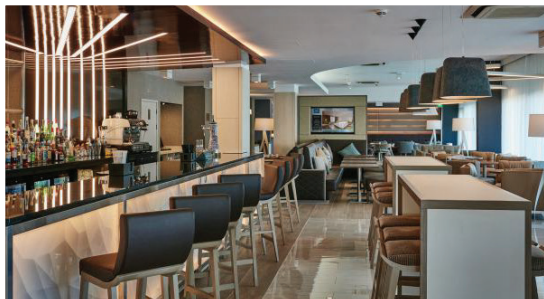

## EAT & DRINK WELL

Open for breakfast, the AC Kitchen is the welcoming heart of a European home, inviting guests each morning to savor the day with a proper continental breakfast selections.

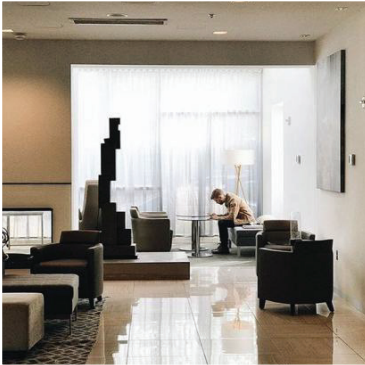

The AC Store is a modern retail space offering an assortment of European and local snacks as well as a selection of 'guilt gifts' for loved ones of different ages.

In the AC Lounge, the bar is the anchor of the public space, celebrating cocktails and libations, heritage and social connections.

## PUBLIC SPACES

The AC Lounge is a communal space of creativity and collaboration by day and a hub of social buzz by night. The AC Library provides a quiet space to linger and peruse the selection of inspiring titles that line the shelves.

## WELLNESS

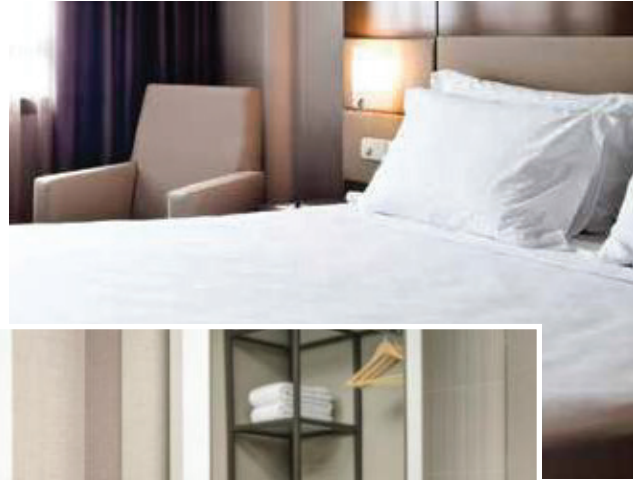

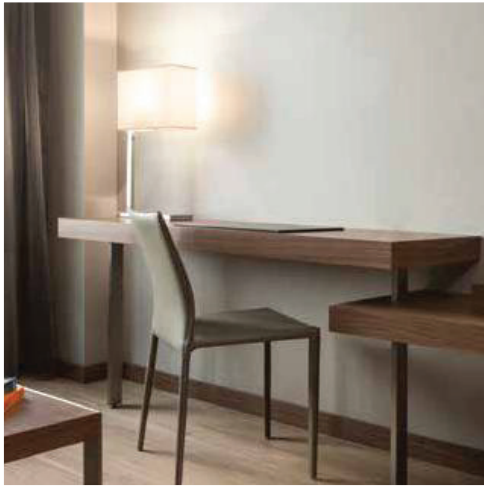

AC Fitness room combines rich materials, unique artwork and purposeful lighting to give the feel of a high-end health club. Another option is to take your workout outdoors and explore the historic neighborhood with an invigorating run or long walk.

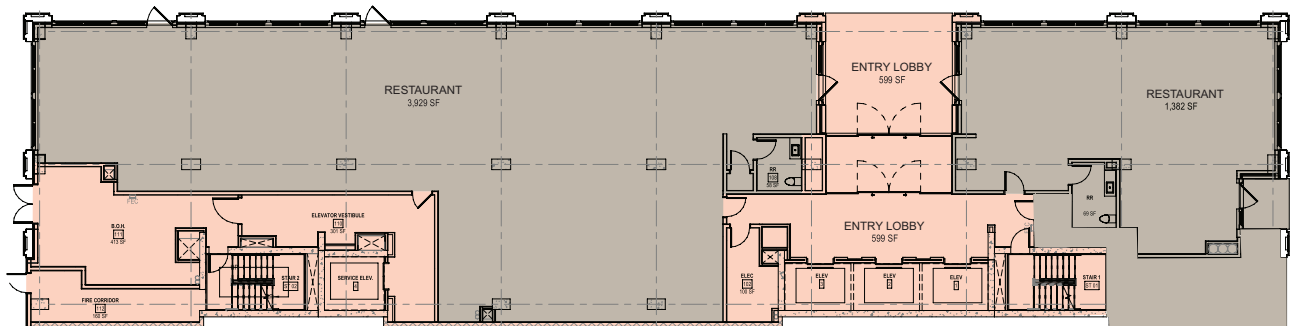

## GUEST ROOM EXPERIENCE

Designed to be an oasis of modern design, with sleek furnishings, open closet system and hardwood floors. It's a great space for unwinding, working and even sharing, with spa-inspired bathrooms.
