Austin, known as the "Human Capital," has developed a diverse, creative, and innovative ecosystem that has many different layers. Recognized across the country as a top destination for corporate headquarters and supporting facilities, its quality of life, deep talent pool, and a strong regional infrastructure assist in a diverse and strong economy .

The city has a heavy concentration of highly educated millennials. Austin is home to the headquarters for many technology corporations, adopting the nickname Silicon Hills in the 1990s. Recently, however, the current official slogan promotes Austin as The Live Music Capital of the World, a reference to the many musicians and live music venues within the area. The event has grown into a 10-day festival celebrating film, music, and digital media. Austin is home to the University of Texas at Austin, the flagship institution of the University of Texas System.
