HOUSTON MARKET OVERVIEW

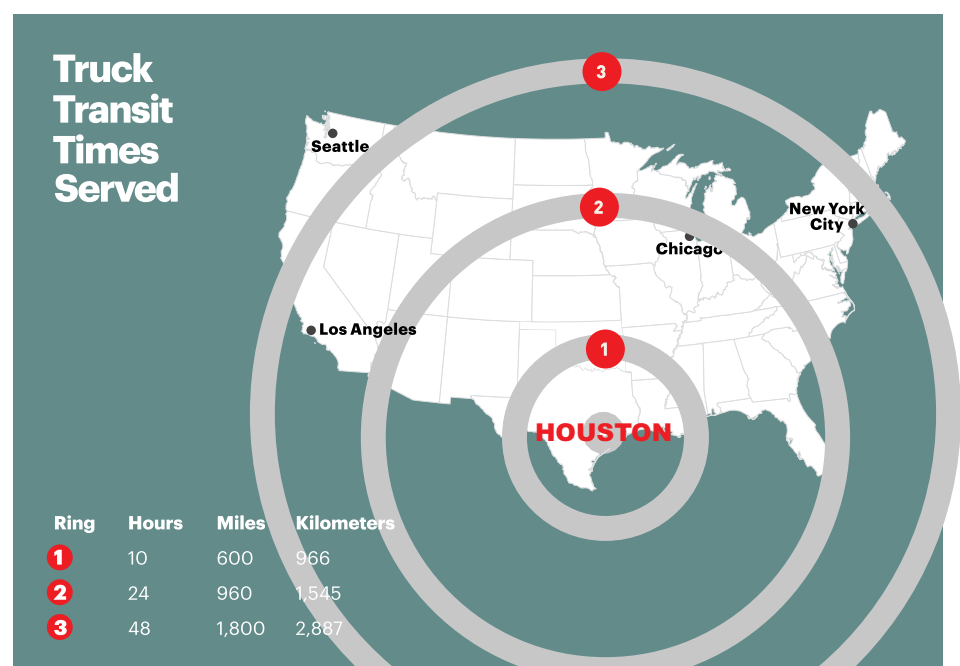

Over the last two decades, there has been a remarkable transformation in Houston. Today, the nation's fourth largest city has become a diverse, vibrant metro filled with talented people who have an undeniable spirit. It's economy is strong, cultures are many, and the quality of life is second to none. Houston has one of the youngest, fastest-growing and most diverse populations anywhere in the world. From 2010 to 2018, Houston added 1.1 million new residents, an 18.2 percent increase, the fastest rate of population growth among the 10 most populous U.S. Metros.

Houston is one of the greatest cities in the world. The economy is strong, the culture is diverse, and the quality of life is spectacular. It all combines to make this the perfect place to do business. From energy to health care and aerospace to information technology, the Houston region offers a strong infrastructure to support these growing industries plus a thriving innovation landscape to launch the next generation of companies. Add in a highly trained and skilled workforce and you have the makings of one of the nation's strongest economies.

Houston is a thriving, international city with ties stretching to all corners of the world. The region's geographic location makes it easy to move both goods and people around the world efficiently. From the Port of Houston and the Houston Airport System to a host of multi-national entities doing business around the clock, Houston is where you want to be to connect your business to the world.

Houston offers a highly competitive business environment at a favorable cost. The region is a national leader in business relocations and expansions thanks in large part to its pro-growth attitude. State and local incentives as well as a favorable tax structure make this region an attractive place to do business for companies of all sizes.
